CUSTOMIZED HANDMADE AREA RUGS AND CARPETS | HIGH-END HOSPITALITY, COMMERCIAL AND RESIDENTIAL PROJECTS

ISO 9001-20015 & ISO 14001-2015

About Us

The heritage craftsmanship of India encouraged us to create a fully equipped hand tufted carpet making factory. Our journey started in 1982. Since then we have been turning our customer's imaginations into reality, earning the unwavering trust of sum of the world's best. We are pleased to offer ourselves one of the most trusted names in the field of contract and custom made floor covering manufacturer & exporter from India, Having supplied to customized Handmade carpets/rugs of any shape and sizes for hospitality industry catering to high end Hotels, Villas, Resorts, Palaces, Corporate, Residential, Builders, Contractors, Interior Decorators & Architects. We are also working with world renown Design Houses all around the globe for all the very specific areas . We are always using finest wool to add more value and life to the art of carpet weaving .We can make up from 6" (18CM) to 70' (21 meters) wide carpet, almost in any length, shape and size. A king without thorn is what a beautiful carpet without exquisite finishing. Our master craftsmen and finishers are trained to give that extra edge to the carpet which speaks for itself once it's finished and rolled out.

One Rug OR Contract:

Whether the rug is for a young lady's living room or queen's bedroom; hotel's empowering lobby, or designer guestrooms we cover it all. Many prestigious projects are having our carpets at various locations around the globe. We take contract for all the hotel rooms or just one humble rug. For us every carpet is part of sum and sum of all parts. We keep on experimenting new ways and adding new looks so that our customers can realise her imagination and fantasy into reality.

Art Under Your Feet™

WORKING WITH US

Our unit is organized in a way where every customer's requirements are dealt with utmost importance. Our profile of completed and running projects along with our craftsmanship speaks for itself, we assure utmost regards and complacency with every tuft that is executed under our roof to provide the finest flooring to our customers. Our company is ISO 9001 and ISO 14001 certified reassuring highest quality and environmental practices, we are also the first certified company for organic weave carpets hence you would have to look no further for organic hand tufts. We can provide extended project services to cater all kind of complacencies of installing carpets at sight, hence, you know you will be in good hands be it for one carpet or a project. Further, we would encourage you to go through our profile to indulge in the look and feel of our company as art speaks where words are unable to explain!

VALUES

Ethics & Integrity: Transparency, Honesty & Fairness in all our conduct & transactions.

Responsibility & the environment. : Being concerned about the well being of all employees, suppliers, clients, the community

Teamwork: Promoting excellence through teamwork, within employees, customers & all business associates.

Respect & Dignity: Treat all employees, associates with respect & dignity.

Professionalism & Excellence: Managing every activity professionally and enhancing the standards continuously, with passion & pride.

Adaptiveness: Managing every activity professionally and enhancing the standards continuously, with passion & pride.

Infrastructure:

Apart from having a professional team, it needs a sound infrastructure to be among one of the leading manufacturers & exporters of India! With hundreds of workers & in-house looms, it's a completely integrated manufacturing set-up. We are happy to share with you that our facilities are compliant to match the requirements of operating at the international level. Moreover, to meet the ever increasing demands of the market & to enhance the quality of our products & services, we believe in investing in infrastructure and technology; below stated is an overview:

- An integrated manufacturing set-up with organized systems & work practices.
- Bigger looms (70 Ft, 21 meters; as one carpet) for handtufted wall to wall custom made carpets.
- In-house Testing Lab to check the quality of raw materials & final product.
- In-house Dyeing facility.
- Bigger platforms for mounting & latexing of custom size carpets.
